

TOWN OF LOUDON, NH

APPLICATION FOR DRIVEWAY PERMIT

Permission is requested to construct a driveway entrance to my property on the _____ side of _____ Road/Street at a location which will meet the requirements for safety as specified in State statutes.

The driveway is access to _____ Map # _____ Lot # _____
Residence, Industry, Business

Describe nature of industry, business and/or subdivision: _____

As the landowner applicant, I hereby agree to the following:

- 1) To construct driveway entrance only for the purpose of securing access to private property such that the highway right-of-way is used for no purpose other than travel.
- 2) To construct driveway entrance at the permitted location only.
- 3) To hold harmless the Town of Loudon and its duly appointed agents and employees against any action for personal injury and/or property damage sustained by reason of the exercise of this permit.
- 4) To furnish and install drainage structures that are necessary to maintain existing highway drainage and adequately handle increased runoff resulting from development.
- 5) **As stated in RSA 236:13, VI:**
“Private driveway connections, including structures such as culverts, remain the responsibility of the landowner. If any driveway connection threatens the integrity of the highway due to plugged culverts, erosion, etc., the Planning Board or designee can order the owner to repair it. If the owner fails to repair, the municipality can do the repair and charge the cost of the repair to the landowner.”
- 6) The driveway shall be staked as to location with Map # and Lot # on the stake in the center of proposed driveway.
- 7) All applications must be completed in their entirety before returning to the Town for action.
