**Tuesday, October 11, 2011**

Present: Chairman Ives, Selectman Bowles, and Selectman Krieger.

Also present were Fire Chief Jeff Burr, Dave Powelson from the Zoning Board, Police Chief Bob Fiske and Stanley Prescott from the Planning Board.

Chairman Ives called the Meeting to order at 6:30 p.m.

- I. Selectman Bowles moved to accept the Selectmen's Meeting Minutes of Tuesday, October 4, 2011 as written; seconded by Selectman Krieger. All were in favor. Motion carries.
  
- II. The Board met with Tim Andrews of Nobis Engineering concerning the Groundwater Monitoring application for the Landfill. Mr. Andrews stated that they dropped off a copy of the draft permit at the office today so the Selectmen can review it. The permit is good for five years for the groundwater monitoring at the landfill. Mr. Andrews explained that the application has to be signed and submitted by October 21, 2011.
  
- III. Chairman Ives opened the Board of Permit.
  - a) Chief Fiske stated he has one Hawkers & Peddler permit. The permit application is for the Loudon Food Pantry, they would like to hold a 50/50 raffle from November 1, 2011 to December 15, 2011. Mr. Fiske stated that the Board has in the past waived the application fee for the Food Pantry. The Board agreed that they would waive it again.
  - b) Chief Fiske explained that he received a letter from Christa Kwarta from NHMS asking for direction. The Winterland Inc/Holiday Lights people would like to decorate the tree near the Smiley Face at the corner of 106 and 129. They would also like to install directional lights to NHMS. Chief Fiske reminded the Selectmen that it was Jon Huntington that came to the Selectmen years ago, the Selectman went to the State and they came to a resolution and planted the spruce tree. It is the Chief's opinion that they would have to get permission from the State DOT if this Board was in favor of the lights. Chairman Ives stated that the first thought is about what Jon Huntington would think, it has been his corner and he and his family has taken care of it for years and years. Selectman Krieger said that it doesn't seem like a good spot for it and Mr. Huntington and his family have done too much. Chief Fiske will tell Ms. Kwarta that the Board is not in favor of it.

Chairman Ives closed the Board of Permit and resumed the Selectmen's meeting.

- f) Chairman Ives explained to Chief Burr that he reviewed invoices concerning the leather helmets and boots and although they have been buying them, they are more expensive. Chairman Ives asked that Chief Burr keep an eye on the bottom line and be sure to get the best value for our dollar.
