

TOWN OF LOUDON
LOUDON, NEW HAMPSHIRE

APPROVED

PLANNING BOARD MINUTES
OF SEPTEMBER 30, 2009

SITE VISIT

A site visit conducted at N H Motor Speedway began at 4:00 p.m. with the following in attendance:

PB members: Chairman Tom Dow, Vice Chairman Stan Prescott, Gary Tasker, Alternates Bob Ordway and Jeff Green

ZBA members: Chairman Dave Powelson, George Saunderson, Howard Pearl, Alternate Jim Venne

Conservation Commission members: Julie Robinson and Bill Gabler

Board of Selectmen: Dustin Bowles and Steve Ives (PB Ex-Officio)

NHMS -Jerry Gappens and John Zudell

Tim Andrews and Chris Adams of Nobis Engineering

Cindy Balcius of Stoney Ridge Environmental

Mr. Gappens greeted the group in the board room. He discussed the importance of ongoing communications between the track and town officials. Mr. Zudell gave a power point presentation of before and after shots of areas of the track, noting the improvements that have been made. The group was then taken around the property by tram to view the areas of recent construction. The tram was stopped at each major point of the construction so that the work could be explained and questions asked by the board members. Selectmen Bowles expressed the need for better communications. PB Chairman Dow stressed the importance of track representatives talking with the board before doing any type of project that would involve site changes and land development.

The site visit ended at 5:25 p.m.

Respectfully submitted,

Donna White
