\*Discussion of letting people know we can only keep the costs down if people get involved, possible discounts for LYAA members when registering their children for activities

\*Prepare an info night for parents with pizza... What is LYAA? What can I do to help? Why does LYAA need you? The future of LYAA without new members?

\*Each member was going to try to contact 5+ people they know with younger children to try to get those parents to come to the next LYAA mtg

\*Norma would like to find someone to step into the place of Treasurer this year and she will stay on board to help that person through the transition during this first year. Tracy will put a write up in Ledger.

\*We need to get further info about the Baseball Season from Suncook Valley Cal Ripken and look at what we charge for registration
