

Mr. Laliberte announced the delay in opening **the addition**. The school is waiting for a fire inspection from the state. He said it would not make sense to move offices or to change the drop off/pick up routine this late in the school year but he did anticipate art, music and PE holding classes in the addition before the end of the year.

Mr. Laliberte also thanked the current and former PTA's for their hard work.

Other business:

Laurie Cowan asked for suggestions on ordering sizes for the **5th grade T-shirts**. It was decided that they should be adult medium with a few larges. It was confirmed that the 5th grade teachers received shirts as well. Laurie expected the cost to be just under the \$500 budget and asked if she could write a personal check and receive reimbursement later since she didn't know the exact amount.

Christine said she hoped to sell the remaining "**L**" **T-shirts** at Old Home Day. She also suggested ordering **folders** printed with LES info to sell for about 75 cents each. It was suggested the folders could be filled with PTA info and available at open house.

Spirit Day to be held on Friday, May 25. Hats and sunglasses. No popcorn.

Field Day will be discussed at the June meeting.

Field Trips: Kim Beatty asked if she and Carolyn Viani could plan on enough field trip money to purchase Capital Center for the Arts tickets so that each class at LES to attend one performance. She also asked if she, or another teacher, could choose a second performance if she felt her class would not have other field trip opportunities. The tickets for next year's performances need to be purchased this month. The PTA felt there was sufficient funds and agreed to this request.

The next meeting will be held June 7.

Old Home Day Silent Auction: Christine Campbell presented a draft letter requesting donations. The letter will be sent home. It was also suggested the request be put in the Loudon Ledger and the Town Crier section of the Concord Monitor. The auction will end at 5:00 pm on August 11 and winners will have until 6:00 pm to pick up. The PTA will hold items for three days only. An effort will be made to locate the large white boards that the PTA used for the auction about 10 years ago. A committee was formed to work on this fundraising project.

Mr. Laliberte's Announcements:
